DATE: 15 August 74

TO: Mr. Proctor

FROM:

SUBJECT: 40 Committee Item

REMARKS:

File: TK Recce

George Stone phoned with the following message from Rob Roy Ratliff's office:

"Kissinger has approved the Cuba requirements paper except he wants to substitute the SR-71 for the U2 and schedule the flights for the SR-71 every 30 to 45 days instead of every 3 to 4 months (as was recommended)."

George is prepared to answer any questions you may have on this.

is preparing papers for action -- State unhappy that U-2 not being used --

is giving them a couple of days delay.
